LOCAL KID E.V.

In 2018, our association was founded with small workshops for the Batwa community in Kisoro. In the beginning, we pursued the aim of creating small-scale projects to support the community. and thus make a difference on a small scale.

But thanks to a lot of encouragement and support from Uganda and Germany, the projects and areas of work have been expanded and we ended up forming an official association.

HOW CAN YOU HELP WITH A SPONSORSHIP

Become sponsor of our Educational Program!

Duration of the sponsorship: 3 years

Monthly contribution: €25 or €50,

You can choose between a half and full sponsorship.

Advantage: An apprenticeship sponsorship is limited in time and promises early success!

This amount finances the school materials, teachers' salaries, workshops and internships, rent, electricity and water, as well as a small start-up capital for the students for their later independence.

Feel free to write to us, become a sponsor and support the Educational Programm

ausbildung@localkid-uganda.com

You will receive digital reports from your trainee and their progress. After 3 years, the trainees are free to pursue their professions without further support from the organisation or their mentor.
